

UV Sterilizers

Classic UV sterilizers from Aqua Ultraviolet are economical and effective for many UV applications including display aquaria, recirculating systems, decorative ponds, fish holding systems, research and commercial aquaculture. Most Aqua UV sterilizers are available in stock ready to ship. In most cases customers can choose either black or white units, with or without manual quartz sleeve wipers. Refer to the product selection guide and UV sizing chart below to choose the right model. Please call Integrated-Aqua for sizing assistance, pricing, and product application advice.

Aquarist UV Sterilizers from 8w - 15w: Used in fresh and saltwater aquariums, small ponds, and research systems from 50 gallons up to 300 gallons. These small UV units are available with a variety of options including quartz sleeve wipers and spout models to mount directly on the rear of a display tank.

Standard UV Sterilizers 25w, 40w, and 57w UVs: Used in fresh and saltwater aquariums, small ponds, and research systems from 500 gallons up to about 1,500 gallons. These units are compact and versatile and include several size options and configurations.

Classic UV Sterilizers from 80w to 240w: The "Classic" UV line combines up to six 40 watt lamps manifolded in series to create a powerful and economical line of UV units. These UV's are a good value for the UV output.

Model	Number of Lamps	Amp Draw @ 120V	Dimensions L x W (in.)	Flow Rate (gph/gpm) 30,000µws/cm ²	Inlet / Outlet Size (in.)	Shipping Weight (lbs.)
UV-8 watt	1	0.48	16" x 6" x 2.5"	642 / 11	3/4 or 2	7
UV15 watt	1	0.48	16" x 6" x 2.5"	700 / 12	3/4 or 2	7
UV-25 watt	1	0.48	20" x 6" x 2.5"	3200 / 20	3/4 or 2	8
UV-40 watt	1	0.48	37.4" x 6" x 2.5"	2900 / 48	3/4 or 2	10
UV-57 watt	1	0.48	20" x 6" x 2.5"	3200 / 53	3/4 or 2	8
UV-80 watt	2, 40w each	0.48	37.4" x 16.6" x 2.5"	3678 / 61	2	22
UV-114 watt	2, 57w each	0.85	20" x 16.6" x 2.5"	3900 / 65	3/4 or 2	14
UV-120 watt	3, 40w each	1.33	37.4" x 21.5" x 2.5"	4080 / 68	2	20
UV-160 watt	4, 40w each	1.7	37.4" x 17.75" x 2.5"	5400 / 90	2	28
UV-200 watt	5, 40w each	2.18	37.4" x 18" x 2.5"	6600 / 110	2	28
UV-240 watt	6, 40w each	2.55	37.4" x 22.75" x 2.5"	7200 / 120	2	36
